

2017 RESEARCH GRANT – COVER PAGE

Project Title <i>Provide a title that is brief and informative. Limit: 200 characters (with spaces)</i>					
Research team <i>Complete with N/A if not applicable</i>					
	Principal Investigator (CIA)	Co-investigator (CIB)	Co-investigator (CIC)	Co-investigator (CID)	Co-investigator (CIE)
Last name					
Affiliation					
Country					
Summary <i>Summarise the aims of the research and the importance of the project. Limit: 350 words</i>					

Total requested <i>Enter total amount requested. Limit: AUD\$20,000</i>					
Administering Institution <i>Complete with N/A if not applicable</i>					
Name		Location	Contact person	Contact email	
Research classifications <i>Complete using up to 3 codes provided in the links</i>					
Research Fields, Courses and Disciplines (RFCO) http://www.abs.gov.au/ausstats/abs@.nsf/0/955FFA4EB1B23847CA25697E0018FB14?opendocument			Socio-Economic Objective (SEO) http://www.abs.gov.au/ausstats/abs@.nsf/0/CF7ADB06FA2DFD69CA2574180004CB82

2017 RESEARCH GRANT – APPLICATION FORM

1. INSTRUCTIONS

Email the PDF version of this document to sci_ed@ispo.org.au and complete the electronic form by by 5:00 pm (AEST) on Fri 14/07/2017. The file name should be “**2017_ISPO_RGS__[name CIA].PDF**”. Receipt of your email will be acknowledged. Please, remember to use in “Plain English” in a way that is understandable to an informed reader who may have no specialist expertise in your area of research across the document when possible.

2. CONTACT

Adj / Prof Laurent Frossard (PhD), Chair of the ANMS ISPO Research Grant Committee of the ANMS ISPO
Email: sci_ed@ispo.org.au, Phone : 04 1379 5086

3. PROPOSAL PROJECT DETAILS

Project Title (*Cut-and-paste from cover-page*)

Provide a title that is brief and informative. Limit: 200 characters (with spaces)

Summary (*Cut-and-paste from cover-page*)

Summarise the aims of the research and the importance of the project. Limit: 350 words

Context and Objectives of Project

Provide a justification for the project and state the objectives. Limit: 300 words

Method and References

Describe the proposed method including details of participants (e.g., Sample size), recruitment, apparatus, procedures and statistical analysis and no more than 5 references. Limit: 300 words

Significance of the Project

Explain in which way the project will have an impact. Limit: 300 words

[Empty text area for project significance]

Innovation of the Project

Explain in which way the project will make novel contribution. Limit: 200 words

Is it a new stand-alone project? <i>If yes, explain how this new project will make novel contribution</i>	Is it an extension of the existing larger project? <i>If yes, describes briefly the current project (e.g., aims and funding) and explain how this extension will make an new contribution</i>
Yes or No	Yes or No

[Empty text area for innovation details]

Potential for Future Developments

Explain the exit strategy for the project while indicating how you will take this work to the next step of development (e.g., grants, implementation). Limit: 300 words

Ethics Clearances

Name the organisation that will provide ethics approval for your project, the type of ethics approval required (e.g., human subject, animal research, ionising radiation) and whether the project has already received ethics approval or if it is yet to be obtained.

Note that ethics clearance must be obtained from an appropriate university or hospital committee and proof of this clearance must be made available to the Chair ANMS ISPO Research Grant Committee prior to money being paid to the grant recipient. However, at the time of application, it is acceptable to state the body to which the application will be made. Research involving human subjects needs to be in accordance with the NHMRC Statement on Human Experimentation [<https://www.nhmrc.gov.au/health-ethics>] and in accordance with the guidelines laid down in the NHMRC Code of Practice [<https://www.nhmrc.gov.au/guidelines-publications/ea16>].

Name of ethics committee	
Type of ethics approval required	
Status of ethics application	

Anticipated Timeframes of project

Enter the information while considering feasibility of the project.

Commencement	Completion
<i>Enter the expected commencement date for the project. (dd/mm/yyyy)</i>	<i>Enter the expected completion date for the project. (dd/mm/yyyy)</i>

Milestone

Enter main milestones and deliverables of the project that will be used for reporting progress. Limit: 300 words

GANTT chart

Create GANTT chart of the project indicating the main phase of development as well responsibility of each investigator and milestone for each quarter during funding and beyond.

4. RESEARCH TEAM

Research team <i>Complete with N/A if not applicable</i>					
	Principal Investigator (CIA)	Co-investigator (CIB)	Co-investigator (CIC)	Co-investigator (CID)	Co-investigator (CIE)
Name					
Affiliation					
Country					
Key Research Performance indicators <i>Enter to combined total for the whole team</i>					
Total number of abstract	Total number of articles	Total number of grants	Total amount awarded		
Evidence of strength of the research team <i>Highlight the strength of the research team while indicating how investigators have complementary experience and skills as well as how each investigator will make significant contributions). Limit: 400 words</i>					

5. INDIVIDUAL TRACK RECORD - PRINCIPAL INVESTIGATOR (CIA)

Identification					
<i>Complete with N/A if not known or not applicable</i>					
First name		Last Name		Title	
Email					
URL					
ORCID No		ANMS ISPO member if available			
Current position and appointment					
Department/school/other					
Organisation					
Postal address					
State		Postcode		Country	

Experience		
<i>Complete with N/A if not applicable</i>		
Highest degree	Years of graduation	Number of years of experience

Grant income		
<i>Complete with N/A if not known</i>		
	Number of grants	Total amount
As the first investigator		

Bibliometrics			
<i>Complete with N/A if not known</i>			
	Number of articles	Number of abstracts	Total number
As senior author (First, last)			
	H-index	i10-Index	Number of citations
Scopus			

List of key publications
<i>Enter your 5 best publications ranked by chronological order</i>

Biographical Sketch

Enter the key education, experience and achievements of your career. Limit: 1 page

6. INVESTIGATORS TRACK RECORD - CO-INVESTIGATOR (CIB)

Identification					
<i>Complete with N/A if not known or not applicable</i>					
First name		Last Name		Title	
Email					
URL					
ORCID No		ANMS ISPO member if available			
Current position and appointment					
Department/school/other					
Organisation					
Postal address					
State		Postcode		Country	

Experience		
<i>Complete with N/A if not applicable</i>		
Highest degree	Years of graduation	Number of years of experience

Grant income		
<i>Complete with N/A if not known</i>		
	Number of grants	Total amount
As the first investigator		

Bibliometrics			
<i>Complete with N/A if not known</i>			
	Number of articles	Number of abstracts	Total number
As senior author (First, last)			
	H-index	i10-Index	Number of citations
Scopus			

List of key publications
<i>Enter your 5 best publications ranked by chronological order</i>

Biographical Sketch

Enter the key education, experience and achievements of your career. Limit: 1 page

7. INVESTIGATORS TRACK RECORD - CO-INVESTIGATOR (CIC)

Identification				
<i>Complete with N/A if not known or not applicable</i>				
First name		Last Name		Title
Email				
URL				
ORCID No		ANMS ISPO member if available		
Current position and appointment				
Department/school/other				
Organisation				
Postal address				
State		Postcode		Country

Experience		
<i>Complete with N/A if not applicable</i>		
Highest degree	Years of graduation	Number of years of experience

Grant income		
<i>Complete with N/A if not known</i>		
	Number of grants	Total amount
As the first investigator		

Bibliometrics			
<i>Complete with N/A if not known</i>			
	Number of articles	Number of abstracts	Total number
As senior author (First, last)			
	H-index	i10-Index	Number of citations
Scopus			

List of key publications
<i>Enter your 5 best publications ranked by chronological order</i>

Biographical Sketch

Enter the key education, experience and achievements of your career. Limit: 1 page

A large, empty rectangular box intended for the applicant to write their biographical sketch. The box is bounded by a thin black line and occupies most of the page's vertical space.

8. INVESTIGATORS TRACK RECORD - CO-INVESTIGATOR (CID)

Identification					
<i>Complete with N/A if not known or not applicable</i>					
First name		Last Name		Title	
Email					
URL					
ORCID No		ANMS ISPO member if available			
Current position and appointment					
Department/school/other					
Organisation					
Postal address					
State		Postcode		Country	

Experience		
<i>Complete with N/A if not applicable</i>		
Highest degree	Years of graduation	Number of years of experience

Grant income		
<i>Complete with N/A if not known</i>		
	Number of grants	Total amount
As the first investigator		

Bibliometrics			
<i>Complete with N/A if not known</i>			
	Number of articles	Number of abstracts	Total number
As senior author (First, last)			
	H-index	i10-Index	Number of citations
Scopus			

List of key publications
<i>Enter your 5 best publications ranked by chronological order</i>

Biographical Sketch

Enter the key education, experience and achievements of your career. Limit: 1 page

9. INVESTIGATORS TRACK RECORD - CO-INVESTIGATOR (CIE)

Identification					
<i>Complete with N/A if not known or not applicable</i>					
First name		Last Name		Title	
Email					
URL					
ORCID No		ANMS ISPO member if available			
Current position and appointment					
Department/school/other					
Organisation					
Postal address					
State		Postcode		Country	

Experience		
<i>Complete with N/A if not applicable</i>		
Highest degree	Years of graduation	Number of years of experience

Grant income		
<i>Complete with N/A if not known</i>		
	Number of grants	Total amount
As the first investigator		

Bibliometrics			
<i>Complete with N/A if not known</i>			
	Number of articles	Number of abstracts	Total number
As senior author (First, last)			
	H-index	i10-Index	Number of citations
Scopus			

List of key publications
<i>Enter your 5 best publications ranked by chronological order</i>

Biographical Sketch

Enter the key education, experience and achievements of your career. Limit: 1 page

A large, empty rectangular box with a black border, intended for the applicant to write their biographical sketch. The box occupies most of the page below the header.

10. BUDGET

Budget Breakdown

Specify amount required per annum for each item related to salaries, equipment, consumables and any other costs Note that infrastructure/overheads will not be funded. Limit: AUD\$20,000

Description, including basis for calculating total item cost		Cost (Excluding GST)
1		
2		
3		
4		
5		
6		
7		
8		
9		
10		
	Total	\$

Budget Justification

Provide a brief justification for each item in the budget. Limit: 300 words

11. REVIEWERS

Preferred Reviewers	
<i>Provide name and contact details of up to three appropriate external reviewers who can be used if required.</i>	
Reviewer 1	
Name	
Position/Appointment	
Research Institute	
Address	
Telephone	
Email	
Justification	
Reviewer 2	
Name	
Position/Appointment	
Research Institute	
Address	
Telephone	
Email	
Justification	
Reviewer 3	
Name	
Position/Appointment	
Research Institute	
Address	
Telephone	
Email	
Justification	

12. CERTIFICATION

Declarations

Make sure all investigators agree with each statement below

I/We certify that all details in this application are true and correct.

I/We certify that this application is not to support, or in any way duplicate, a project being funded by another agency for essentially the same research, except to augment other funding as documented.

I/We understand and agree that research involving humans or animals must be carried out in accordance with the guidelines laid down in the NHMRC Code of Practice and that I/we will obtain necessary ethics clearance from an appropriate body prior to the commencement of any research-related activity.

I/We understand that a copy of the ethics approval must be provided prior to receipt of grant funding.

I/We understand that all successful investigators will become an ANMS ISPO active member prior to receipt of grant funding

I/We understand that all successful investigators formally agree to acknowledge the contribution of ANMS ISPO Research Grant in all scientific outputs.

I/We submit with the application, evidence that the department head/manager is aware of this application and its implications, and is supportive of the project such that the general facilities of the department/institution and necessary space and instrumentation are available to support this project.

I/We agree to abide by the guidelines of the granting body, and meet its requirements for expending money and reporting of project progress and completion.

Certification

This section must be signed by all investigators.

	Name	Signature	Date (dd/mm/yyyy)
Principal investigator (CIA)			
Co-investigator (CIB)			
Co-investigator (CIC)			
Co-investigator (CID)			
Co-investigator (CIE)
