Annual General Meeting

**26th May 2021, 6:30pm AEST
Teleconference Meeting Only**

23rd April 2021

Dear ISPO Australia Members and Colleagues,

On behalf of the ANMS ISPO Executive Committee, I invite you to join us for the upcoming AGM, to be held **6:30pm AEST on Wednesday 26th May 2021**. Following our 2020 AGM and with travel arrangements remaining uncertain for many members, the 2021 AGM will be offered as a teleconference event only.

The impact of Covid-19 pandemic has coloured how we have conducted and planned our business in the past 12 months. Our membership and volunteer executive committee members have conducted their clinical, leadership and business roles during the various lock-downs and challenges; and you have all still made time to provide feedback and input to various projects when you have been called upon. Thankyou for your continued membership and support for the Society during this trying year.

There are several executive committee roles that have reached the end of their 3-year tenure, and I am pleased to see early indication that all current position holders are intending to re-nominate for those roles for another term. ISPO Australia calls on any member who may have time and capacity to join our executive committee, with opportunities to nominate for the following positions, with nominations closing 5pm 8th May 2021.

- Hon Treasurer,
- Hon Secretary,
- Chair Membership & Marketing Committee,
- Chair Science and Research Committee,
- Chair Education Committee,
- and Chair Outreach committee.

For further information on the Executive and Sub-committee roles, contact president@ispo.org.au

Members who are unable to dial in for the AGM, be sure to provide your proxy to a participating member. Remember, you must be a financial member to participate at the AGM so please renew for 2021 if you have not already done so. www.ispo.org.au

We look forward to meeting you 'virtually' as we connect by phone on the 26th of May 2021.

Yours sincerely

Sally Cavenett
President ANMS ISPO
